THE TENTH DAY.

28th February 1918.

The Assembly met at 1. P. M. on Friday, the 28th February 1918.

IX. MISCELLANEOUS—(*Concluded*).

162. Certain needs of the Town of Trivandrum.

Mr. S. Adam Sait (Member, Nominated) represented the following needs:—

(1) The conversion of the Putherikandam paddy fields into a park or pasture ground.

(2) The construction of a *Sathram* for the use of all classes of people.

(3) Conversion of the few lanes connecting the busy streets of the town into cartable roads.

(4) Extension of the Railway line to Vallakkadavu (old landing place).

(5) Regulation of Hackney Carriage rates and the prohibition of Hackney Carriage stables in crowded parts of the town.

(6) Introduction of the pipe-water system.

(7) Putting up more lights in crowded roads.

(8) Construction of more public latrines.

(9) Opening of a Dispensary at Chalai.

(10) The appointment of a non-official Vice-President to the Trivandrum Town Improvement Committee.

Dewan's reply.—Noted.

163. Needs of the Kunanttur taluk.

Mr. Philipose Alexander (Member, Kunnathur Taluk) requested that the Lower Grade English school at Adur be raised to the higher grade with Form IV. Adur being surrounded by the Special School at Mannady and the Lower Grade English schools at Thumpamon and Pathanamthitta with Form III it was a central locality. The people who had already put up the building were also prepared to furnish the school at their cost.

The Member next prayed that the sanctioned building for the Munsiff's Court at Adur be put up as soon as possible.

Lastly, he requested that the Government be pleased to post a graduate in Medicine at the Adur Dispensary.

Dewan's reply.—Noted. The Munsiff's Court is in need of improvement and will be attended to at the earliest possible opportunity. An estimate for the work has been called for from the Chief Engineer.

164. Needs of the Karunagapalli taluk.

Mr. N. Raman Pillai (Member, Karunagapalli Taluk) urged the improvement of the Neendakara–Padanayarkulangara road. He said that the people gave lands, free of cost, and constructed, out of the funds raised by them, a road from the 5th mile stone of the Kayankulam–Shencottah road. That road was 15 miles long, divided into the following sections *viz.*, (*a*) from the 5th mile stone to Malimel *kadavu*—8 miles, (*b*) from there to Pavumpa temple—3 miles and (*c*) from there westwards to the Karunagapalli main road—4 miles. He requested that the five culverts over the road be constructed by Government.
